Sir,

I beg to submit my explanation as follows in respect of one application of 16-7-50 alleged to have been made against me by Shri Kadappa Adoy Appa Naik Mukadam of Shegaon.

I never called Kadappa or any other mile Maggoor from other works for doing the work of repairs to the Guest House Bungalow at Jath in July 1950.

I never asked Shri Usman Vadkel Karkun to enter bogus names in the Muster rolls and the allegation that I got angry with Kadappa Mukadam for having not produced some two bogus names to receive payment made against me in the above application are false. The then deputy Engr. Shri R.G. Puranik was making payments of the ~~rolls~~ muster rolls personally.

I never asked the Labourers engaged on other works to do the works of repairs to the Jath Guest House Bungalow, and also I never engaged departmental labour to work at night time at the Bungalow.

Shri Usman Vadkel Karkun has worked under me for a period of about thirteen months and during this period I never asked him to do anything false. I know nothing about his private affairs.

There--

There was no reason for me to influence anybody to do any favour, regarding his permanent service in the department and he was already a permanent servant in Jath State before merger.

I was holding a dual charge of Karkhe & Jath from 16th May 1950 to 19th July 1950 with my headquarters at Karakhe. During this period I have visited Jath on duty on the following dates:---

1 In the month of May 1950 on, 19, 20, 21 & 24th & 27.
2 In the month of June 1950 on 11, 12, 13 & 27 & 30th.
3 In the month of July 1950 on, 1, 8, 9 & 12th & 19th

During the above period, that is, from 12th May 1950 to 19th July 1950, I had visited Miraj only on 15th May 1950 on which date the division was closed and I attended S.D.O's office Sangli on duty on the following dates:-

1. In the month of June 1950 on 17, 18, 19, 22, 25 and 26.
2. — " — of July 1950 on 4th & 5th

The allegations that I received money from wife Nagdoos are false.

CONFIDENTIAL.
No.G-40.

Public Works Department,
Belgaum: 13th April 1951.

Subject: Complaint against Shri Jog, overseer. - 13,

Reference: Correspondence ending with this office letter No.G-40(Confdl.) dated the 8th February 1951.

2. The application, in original, received with Govt.Letter, (P.W.D.) No.S-40/62847-E-II dt. 22-8-1950 is returned herewith. As it has been signed by one Shri Kadapa Adivappa Naik of Shegaon, Taluka Jath, he was specially written to by the Executive Engineer, Kolhapur Division, to be present at the time of enquiry into the allegations made in the application. On hearing the contents which were read out to him and on seeing the application, Shri K.A. Naik has, in the presence of the Executive Engineer, Kolhapur Division, [illegible] and Shri Jog, overseer, flatly denied of his having had anything to do with the application and the signature thereon, which he said, was not his own. He can sign his name with difficulty but does not know how to read and write A copy of the written statement obtained from him in this connection is enclosed herewith. The application, is therefore, clearly pseudonymous and deserves no consideration. The application appears to have been made by some body merely out of personal grudge.

3. The allegations made in the application are briefly as under:-

(i) Though in charge of the Kavathe & Jath Sections, Shri Jog has his present residence at Miraj and goes over to Jath & Kavathe once or twice a month to collect papers and again goes to Miraj to put up with his family.

(ii) A few mazdoors employed in the Government Bungalows at Jath (or Kavathe) are always engaged on work in the compound of the bungalow and the work of maintenance of roads is completely neglected.

(iii) Shri Jog and his accomplices Shriyuts Usman Dandle and Puranik, clerks, give false names of mazdoors as employed on road works and threaten others to give their thumb impressions on the pay-bills, draw pay-bills, collect money and leave for Miraj &c.

4. Although Shri Jog has kept his family at Miraj, he has his ~~present~~ permanent residence at Kavathe. From his T.A. bills, I could see that he was always moving about in his own jurisdiction inspecting or supervising works in his charge. The allegation made that Shri Jog is practically at Miraj with his family is therefore, false.

5. The Executive Engineer, Kolhapur Division who has investigated into the matter reports that the other two allegations viz: employing mazdoors in bungalows thus neglecting road works

and ...

and false mustering of mazdoors are also false.

6. Copies of the written statements obtained from Shriyuts Kadapa Advappa Naik, Usman Dandle, Puranik and Jog are submitted herewith.

3. Pl. see Asstt. Secy's note, P. 3 dt. 6.8.50 and the A.L. at p. 6 ante. It is not understood how the application in original was sent to the SE, S.C. inspite of the clear indication that in order not to disclose the identity of the applicant, only purport of the application was to go. It is, therefore, very difficult to say —

say that Shri Kadapa Adivapa Naik might not have signed the original application. In the circumstances, orders are requested whether original copy of the Statement given by Shri Naik may be called for to examine his signature or in view of what is stated by the SS. the matter may be considered as closed.

Dated 19-2-1951.

May it please your Excellency,

I, the undersigned, most humbly beg to place the following grave injustice done to the P. W. D. staff subordinate members in Kanara District (Karwar district) by way of illegal transfers from place to place and pray such unlawful things should not be given scope for their happenings etc in future.

2. I beg to tell your Excellency that there is great story behind one Shri D. A. Kamat, Head Clerk, P. W. D. office, Karwar in the following way:- He is in the regular habit of receiving bribes when transfers are frequently taken place. That is to say a man who has great domestic difficulties can never hope to get transfer even after submission of hundreds of applications so much.

so that - the applicants requests are not at all cared for.

3. One Shri Kokilo, brother of Kokilo Accountant P.W.D. Office Karwar is serving now at - Sadashivgad as Sub-Overseer - when he was ordinarily hunsuring Karkera he was serving at Karwar only. Others are under frequent transfers from place to place inspite of grave domestic Calamities. Why is this? These people have been cursing Govt and taxing poor servants too! Either Govt to pity or Almighty God!

4. One Shri D. D. Pai a storekeeper P.W.D. Office Karwar has been now serving at Karwar while his brother Shri B. D. Pai native of Kumta has been serving at Kumta only, his native place being Kumta. It is surprising that he has no transfer at all!

5. The relation of Shri. D. D. Pai of Kumta (Store keeper Karwar) - namely Shri Kini Karkera at Honnavar now has greatly misappropriated a large of amount of Govt by using Cement sinuate pertaining to proposed scheme of Fire Station at Haldipur in Honnavar

Taluka. This gentleman has built a decent house at Hebbalka in Kundgol Taluka for his personal comfort. Now such is the case this request a / medical-boo in craving permanent job in P.W.D. Oh God! Oh Govern-ment! Pity poor people and not these rowdies!

5. This P.W. Quetri Establishment (Clerk Shanwar (Irrigation Circle) is fond of his own community + as much he has given a number of posts to his own men! He has misrepresented actu-tion to his Superiors. He is taking bribe + presents which are quite against the Law of the Land!

Anti Corruption Officer may be ordered to Enquire these things! If not, these incidents amongst the public.

6. During April 1950, separate Irriga-tion unit was established for Dharwar Circle + Divisional Members have been working with great enthusiasm as for "Grow more food Campaign" and the condition of the following four pictures is exceedingly pitiable!

1) Shri Sripad Kuchi, Siddapur, wants transfer on strength of his wife's illness to Sirsi Court.

2) Shri D.B. Hegde Kumta wants (Post in Revenue Dept) to get transferred to below ghat.

3) Shri R.N. Pandit Sirsi wants transfer to below ghat.

4) Shri V.G. Ratnakar (Ex-Soldier) Karwar wanted to apply to Kumta for transfer to below ghat on grounds of his father being ill and bed-ridden & very much wanted to see him.

5) Shri M.N. Bandi Kumta wants transfer to below ghat.

Other people have been disappointed so far.

Several instances may kindly be adopted to put a stop to favouritism.

Yours most humble Servant

E.B. Hegde

Shri D.B. Hegde of Sirsi in his representation addressed to the Private Secy. to H.E. the Governor, has alleged that Shri D.A. Kamat Head-Clerk in the P.W.D. Office at Karwar has been effecting frequent transfers of clerks etc and others with a view to receiving illegal gratification from them. No facts have been pointed out where illegal gratification was actually received by Shri Kamat. Shri Hegde also states that certain other clerks, whose names have been recorded in para-6 of his representation, who have asked for transfers on grounds of health, etc., have been flatly refused. It has, however, been pointed out that Shri Koilo brother of the Accountant and Shri B.D. Pai brother of the Storekeeper were not transferred at all, while others have been harassed. No persons, ~~whatsoever~~ who..

Who have been harassed in frequent transfers, have been cited by Shri Hegde.

2. It has also been alleged that one Shri Simi, Karkun at Honavar, has been misappropriating Govt materials such as cement etc., as a result of which he has been in a position to build a house at Hirvekpa in Kumta.

3. Allegations have also been made against Shri P.M. Metri, Estabt. Clerk in the Irrign. Dn Sirsi that he has been appointing persons belonging to his community and misrepresenting facts to his superiors.

4. In the various allegations made by Shri Hegde it will be observed that no definite facts which can lead to detection have been quoted by him. A report from the S.E., S.C., may however be called for, if approved.

Respected Sir,

I am compelled to bring to your kind notice the most important facts of injustice and tyranny going on in the Office of the Superintending Engineer, Southern Circle, Belgaum for taking suitable action in the interest of Government.

C.T. to ack. done

The delivery of this letter was taken by my clerk. The letter contains a reasonable plea and a practicable suggestion. It may be inquired

29/11

H.M.P.W.)

When Shri K.R.Akerker was the Superintending Engineer of Southern Circle, Belgaum, the administration of the Southern Circle's Office was alright in all the respects and every one who was forced to suffer loss and injustice in service was getting a reasonable justice as none of the Staff in his Office had courage and heart to do injustice to the Establishment in the Circle under his control.Shri N.R.Katti, the present Establishment Clerk and Narayan A. Patil, Daftary now working as a Clerk - the Personal Assistant to Shri V.R.Desai, the Late Head Clerk both the mischivious and - treublesome men were afraid of him. I am told that Shri V.R. Desai, Late Head Clerk was so afraid of him that he extended his leave till his(K.R.Akerker) retirement. The strict - administration of Shri K.R.Akerker was giving a,proper justice to the Establishment.

On arrival of Shri V. B. Maneriker, the present Superintending Engineer, every thing in the Office has been completely changed and taking advantage of his goodness Shri V. R. Desai the Late Head Clerk resumed his duties though he was not fit for duty and was not capable to work due to his extreme weakness and was pulling many how under the present Superintending Engineer only with the object of making money with the help of Narayan A. Patil and N. R. Katti the present Establishment Clerk. He purposely brought his OWn MEN - CONFIDENTIAL MEN to this Office to fulfill his own object.

Shri N. A. Patil & N. R. Katti - these two persons have already started the scheme of exacting money from the Subordinates transfered or promoted. Shri N. A. Patil is the personal Agent who in consultation with Shri N. R. Katti present Establishment Clerk exacts money form the Subordinates telling them that he is going to transfer them or to revert them or to stop their promotion.

The man who wants to see the Head Clerk or the Superintending Engineer must come through Narayan A. Patil, Daftary who suggests to pay something for himself and for the Establishment Clerk (Shri N.R.Katti). If that man fails to do so, he will be brought to a great loss in his service.They now and then say that the present Superintending Engineer, is the MERE PUPPET in their hands and they can do their works as they like.I have got all the above facts fully verified by some of clerks including Shri V.B.Garde clerk in that Office.

for early

1/12/51

The most important facts that I want to bring to Your Kind Notice that Shri N.R.Katti the present Establishment Clerk inthe Sueprintending Engineer, Souther Circle's Office is Adament in delaying the disposals of the representations with the sole object of exacting money from the parties concerned. Taking advantage of the goodness of the Present Superintending Engineer, he is playing mischiefs and with the object of - making money he is not preparing the Seniority List of all the Establishments in the Circle and orders of promotions are - issued without considering the seniority. When complained of, he says, the irregularity will be set right while preparing the new Seniority List which is never expected to see the light of the day for some years more I am also wonder struck how the

the Superintending Engineer, is silent over this important matter. Matters will not ~~xxximprxxxxx~~ improve unless Shri N. R. Katti is transferred to some other Circle.

I, therefore request your honour to kindly look into this matter and request your honour please to entrust this matter to the C. I. D. for confidential investigation which will bring all the facts to light.

Shri R. M. Deshpande, a resident of Belgaum, has explained some mal-practices going on in the office of the S.E., S.C., Belgaum. Shri N. R. Katti, an establishment clerk is alleged to be in a habit of exacting money from the clerks under one plea or the other. Shri Manerikar, the S.E., S.C., is alleged to have connived at the mischievous doings of his clerks. Shri Deshpande has stated further that the seniority list of clerks is not ready as yet and it is surprising that the S.E. should remain silent over such state of affairs. Shri Deshpande proposes discreet enquiry at the hands of the C.I.D. Orders are requested whether the D.S.P., Belgaum may be addressed in the matter.

Subject : - Allegations.

Reference ; Government Confidential Letter, (Public Works Department) No. S.40/105843- F dated the 18th December 1951.

2. Shri V.R. Desai, Head Clerk was on leave due to ill health from 1st August 1950 to 15th October 1950. He was on duty from the 16th October 1950 to 21st May 1951 i.e. for some seven months before he again proceeded on - leave from the 22nd May 1951 on grounds of ill health. He did not resume duty but is still on leave and has been - transferred to the Karnatak Irrigation Circle since 9th November 1951 as he was not able to bear the pressure of heavy work in this office due to his indifferent health. I have no reason to suspect that he was corrupt or had formed any clique in this office as alleged. Narayan A. Patil is an Inward clerk and has had nothing to do with establishment matters. Shri N.R. Katti is the establishment clerk, but he is a quiet worker who neither would nor could take advantage of the fact that he deals with establishment - matters, since every matter connected with establishment is invariably fully gone through by me before any orders are passed.

3. I am directly accessible to establishment of all grades and no complaint of the type alleged has so far been made to me by anybody.

4. Persons who wish to see me come to me - directly. They have not to come through anybody else as alleged. Shri B.V. Garde, clerk in my office denies of - anybody having sought information from him or of his having given any.

P.T.O.

5. Whatever promotions have been ordered by me were with due regard to seniority and satisfactory record. Agreeably to Government Circular Memorandum (Political and Services Department)No. 4099/34 dated the 18th December 1950 and Government Letter (Public Works Department) No. 3630/48 dated the 21st April 1951, the Superintending Engineer, Karnatak Irrigation Circle and myself have jointly decided that grade promotions should not be given despite seniority to persons who have not earned at least Cl classification for the two years immediately preceding. Accordingly only one supersession has occurred and that in the matter of promotion of a senior clerk to the post of senior accounts clerk and that is because he did not satisfy the criterion mentioned above. His name is S.N. Manoli. When I took over charge of this Circle, several complaints were received by me that promotions of junior clerks to senior clerks had not been given strictly in order of seniority. It came to notice that this was due to one year's training in Divisional and Sub-Divisional accounts having been completed by certain clerks before their seniors had done so. I have removed all such anomalies by regulating the training programme according to seniority and arranging to keep in reserve a panel of trained clerks in seniority order wherefrom promotion to senior clerks can be effected as and when vacancies occur.

6. As regards seniority lists, the following is the present position -

Clerks etc. Last seniority list prepared as on 1st January 1950. It was only for the Southern Circle and did not include absorbed merged States Servants. It was not separate for permanent and temporary establishments although such separation is required by Government Resolution(Finance Department)No. 5708 dated the 26th August 1942. The work of preparing a revised seniority list as it stood on 1st April 1951 has been undertaken and it is expected to be issued by the 8th January 1952. It

It will be for the combined ~~cadre~~ cadre of the Southern and Karnatak Irrigation Circles with absorbed merged States Servants included, and permanent and temporary establishments shown separate. Due to heavy work involved in compiling such a seniority list and further due to the volume of work having increased by reason of the territorial changes in May 1950, it has not been possible to issue the above seniority list earlier.

Overseers. The seniority lists of permanent and temporary overseers were separately prepared last to the end of June 1949. That for temporary overseers is being revised in view of Government Letter(Public Works Department) No. 1151/48-E(I) dated the 1st November 1950, vide also this office letter No. R-21 dated the 26th October 1951. As soon as this is done, similar lists upto 30th June 1950 and 30th June 1951 will be prepared and submitted. This is expected to be completed by the 20th January 1952.

Suboverseers. Zonal lists as required by Government Circular (Public Works Department)No. S.37/2/87678 dated the 13th February 1951 are under preparation and will be submitted by the 20th January 1952.

2. The S.E.,S.C. has since furnished his report in the matter. Shri N.R.Katti is said to be a very quiet worker, who neither would nor could take advantage of the fact that he deals with the establishment matters, as the establishment matters are invariably fully gone through by the S.E. Shri Patil is reported to be ~~xxxx~~ only a general duty clerk. The S.E. has stated that he is dealing with the establishment matters and persons who wish to see him have a direct access to him. The S.E. has stated that promotions are given as far as possible in accordance with the seniority but mainly on merits. In the concluding para. of his letter the S.E. has promised to ~~xx~~ furnish the seniority list of clerks by 20th Jan. 1952.

3. The report furnished by the S.E. is in general terms and also very vague. The seniority list of clerks is not ready as yet and it is not then understood how the S.E. assures that the training programme is so arranged as to maintain seniority order. The S.E. has since promised to ~~xxxxxx~~ prepare the list the receipt of which may be awaited.

4. As regards Shri N.R.Katti and Shri N.A.Patil, the S.E. has given a good opinion and has tried to impress that they are merely insignificant clerks in the office. Anyhow, it is very difficult to prove any of the charges made by the representationist in his application at pp. 1 - 2 ante. In the circumstances, Shri Deshpande may perhaps be informed that the charges made by him are vague and it is difficult to prove them and nothing can be done unless Shri Deshpande has in hand concrete cases
